

TIPS FOR GREAT VACATION PHOTOS

1. SHOOT FROM ABOVE

Use a different perspective by shooting from a balcony, rooftop or using a drone!

2. FOCUS ON DETAILS

Tell the story of your vacation ! Examples: Shells, food, jewelry

3. CANDIDS

Laughing, playing, surprised.. anticipate different expressions to capture your favorites

4. RULE OF THIRDS

Use the grid on your camera or cellphone to capture a different perspective

5. LINES, LINES, LINES

Lead your eye to the subject by using lines.

6. PATTERNS

Look for patterns! Examples: different colored houses, palm trees, flowers.

7. FRAMING

Frame your subject! Example: standing in doorway, between palm trees and windows.

8. GET IN THE PHOTO

Don't be scared! Go create memories!

9. RESEARCH

Scope out places to take photos before you leave

10. EDITING

Apps like Filmborn and Lightroom keep your photo style consistent
